## NURSERY BONUS

2022

The nursery bonus (bonus asili nido) is a partial refund of the fees paid for **authorized public and private children's nurseries**. For children under the age of three suffering from serious chronic diseases, the amount is paid even if the child does not attend the nursery.

It comprises a voucher that varies from 1,500 to 3,000 euros on an annual basis divided into eleven months; it is variable in relation to the ISEE income calculation and in any case is limited to expenditure effectively incurred.

The current income brackets are:

- ISEE up to 25,000 euros = contribution up to 3,000 euros
- ISEE up to 40,000 euros = contribution up to 2,500 euros
- ISEE up to 40,000 euros = contribution up to 1,500 euros

Instructions for presenting applications for **2022** are contained in the [INPS circular dated 14 February 2020 n.27](#).

The application can be presented by a **parent of a born or adopted minor** having the necessary requisites online through the INPS website or a Citizens Advice Bureau (patronato) **by 31 December** each year.

The voucher is paid by INPS to the requesting parent (father or mother) after presenting documentation proving **registration and payment of fees** to public or private nurseries in the case of reimbursement of such fees.

It suffices to present medical documentation certifying the need for home care.

**All legally resident foreigners** have the right to access the nursery school bonus, pursuant to sentence n. 633/2021 of the Court of Appeal of Milan, which ordered INPS to award the bonus without limitations deriving from the type of residence permit.

### **N.B.:**

Do you have all the requirements to access the Nursery Bonus and are legally resident in Italy but **are unable to make an application?**

You can always send the application by registered letter or a certified email (pec) to the INPS office in your city/province specifying the type of residence permit you have. Be careful not to make false declarations!

**Were you denied the bonus because of the type of your residence permit?**

You are entitled to the bonus. You can contact a Citizens Advice Bureau (patronato), a trade union or an association in your area that provides assistance for migrants (such as ASGI) to receive more information.
